

## **CALVARY RETIREMENT COMMUNITY CANBERRA**

**Calvary Haydon Village welcomed its first residents to Bruce in December 2006 with 48 luxury villas occupied quickly with the 'no vacancy' sign put out in June 2007. In May 2007 we welcomed our first residents to the Lewisham Apartment Building, which are now fully occupied. Our 100 bed Residential Care Facility opened in October 2007 and Calvary Retirement Community continues to set the standard in aged care living.**

**Our ongoing commitment to care makes Calvary Retirement Community a popular choice for retirees of Canberra and surrounding regions. Nestled in the tranquil bush land setting of South Bruce, the village is a natural haven to reside in and close to public transport.**

**The heart of the village is a Club House which offers a range of facilities and our 25 seat air-conditioned bus runs twice weekly to the local shopping centres, markets and the pool. We have also enjoyed many outings to local wineries, the lake, the coast and the old time music hall.**

**There is never any time to be bored, although you may just choose the quiet life knowing that you no longer have the worry of maintaining a big house with gardens.**
